MIRRORS & GLASS

MIRRORS AND GLASS CONCENTRATED CLEANER

Cyndan Mirrors & Glass is an ammoniated cleaner that dilutes with water and can be used on any hard surfaces, Cyndan Mirrors & Glass leaves no streaks and is ideal for the cleaning of transparent surfaces such as glass, perspex, mirrors and stainless steel.

DIRECTIONS:

Dilute Cyndan Mirrors & Glass with up to 10 parts of water and spray onto the dirty surface, then wipe off with a lint free soft cloth or paper towel. Reapply when necessary.

Cyndan Mirrors & Glass can be successfully employed as an additive to vehicle windscreen washer receptacles. A dilution of 10 parts water to one part Cyndan Mirrors & Glass is sufficient. Add to the receptacle when empty then fill with water. This results in the complete mixing of the two.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
