MULTI-PURPOSE FLOOR POLISH AND SEALANT

Cyndan Shining Floors is a general purpose floor polisher and sealant.

Shinning Floors provides a long lasting and low maintenance solution, retarding floor soiling and wear. Its strong, resilient finish does not build up. No stripping is needed between applications, sealing and shining in one operation.

Shinning Floors is also an economic coating formulation, detergent and slip resistant.

You will find **Cyndan Shining Floors** just walks all over the others. The ideal solution for hospitals, office blocks, cafeterias, veterinarians, etc.

Shinning Floors might be buffed for higher shine. For a premium high gloss formulation, use **Cyndan Top Coat**.
