To Cyndan Industrial Chemicals,
1/7 Jubilee Ave
Warriewood NSW 2102

To whom it may concern,

This is to confirm that we have started using Cyndans product Silacoat.
This product is used to assist in lubrication when cutting aluminium.
After using this product we have found that it has saved us both time and blade wear
and tear, and would recommend its use to anyone within the caravan industry.

Yours sincerely,
